

The Federal Communications Commission

Dear The Federal Communications Commission,

I thought the Bush Administration was against raising taxes -- oh yes, that's only raising taxes on the rich. I get confused. The middle class -- too bad! Let them eat cake!

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

Keep the USF Fair!

Sincerely,

Elizabeth Cantrell
